

# Pediatric Advanced Life Support Video Prework; Enduring Web Course

---

Original Release Date: 10/22/2025  
Last Review Date: September 2025  
Termination Date: 10/21/2028

## Description

In the Pediatric Advanced Life Support Video Prework, learners will enhance their skills in the treatment of pediatric arrest and periarrest patients through active participation in a series of simulated pediatric emergencies. These simulations are designed to reinforce the important concepts of a systematic approach to pediatric assessment, basic life support, PALS treatment algorithms, and effective resuscitation team dynamics.

## Learning Objectives

At the conclusion, participants should be able to

1. Perform high-quality CPR per American Heart Association basic life support recommendations
2. Differentiate between patients who do and do not require immediate intervention
3. Perform your role as a high-performance team member
4. Differentiate between respiratory distress and failure
5. Perform early interventions for respiratory distress and failure
6. Differentiate between compensated and hypotensive (decompensated) shock
7. Perform early interventions for the treatment of shock
8. Differentiate between unstable and stable patients with arrhythmias
9. Demonstrate treatment of arrhythmias
10. Implement postarrest management

## Accreditation Terms

Joint Accreditation: 10/22/2025 – 10/21/2028

CAPCE: 10/22/2025 – 10/21/2028

AARC: N/A

## Accreditation Statements

### Joint Accreditation Statements

In support of improving patient care, this activity has been planned and implemented by The American Heart Association. The American Heart Association is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

#### **AMA Credit Designation Statement - Physicians**

The American Heart Association designates this activity for a maximum of 2.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### **AAPA Credit Acceptance Statement – Physician Associates**

AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician associates may receive a maximum of 2.75 hours of Category I credit for completing this program.

#### **AANP Credit Acceptance Statement – Nurse Practitioners**

American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME.

#### **ANCC Credit Designation Statement - Nurses**

The maximum number of hours awarded for this CE activity is 2.75 contact hours.

#### **ACPE Credit Designation Statement – Pharmacists**

ACPE Credit: 2.75 Contact Hours. Universal Program Number: JA0000134-0000-25-040-H01-P

**\*\*ACPE Credit must be claimed within 30 days of participation. ACPE credit will no longer be available to claim after the 30-day period has elapsed.**

#### **Continuing Education Accreditation – Emergency Medical Services**

This continuing education activity is approved by the American Heart Association, an organization accredited by the Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE), for 2.75 Advanced CEHs, activity number 25-AMHA-F3-0027.

By claiming CAPCE credit, the claimant acknowledges the following: I understand that the American Heart Association as a requirement of CAPCE accreditation will submit a record of my course completions to the CAPCE AMS. I further understand that my course completion records may be accessed by or shared with such regulators as state EMS offices, training officers, and NREMT on a password-protected, need-to-know basis. In addition, I understand that I may review my record of CAPCE-accredited course completions by contacting CAPCE.

#### **Participation and Successful Completion**

Successful completion of this CE activity includes the following:

1. Complete all portions of the online activity
2. Complete the course evaluation
3. Receive the certificate/statement of credit

## Disclosure Statement

All persons in a position to control educational content of a CE activity provided by the American Heart Association must disclose to the audience all financial relationships with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. The presence or absence of all financial relationships will be disclosed to the audience in activity materials. All unlabeled/unapproved uses of drugs or devices discussed will also be disclosed to the audience. All relevant financial relationships have been mitigated prior to the commencement of the activity.

The following authors/faculty have declared NO financial interest(s) and/or affiliations:

Mary McBride, MD, MEd  
Sallie Johnson, PharmD  
Reylon Meeks, RN, BSN, MS, MSN, EMT (ret), PhDc  
Kelly Kadlec, MD, MEd  
Mary Mackenburg-Mohn, PhD, NP, ACPNP, MSN, AGACNP  
Carol Frazee, NRP  
John Erbayri, MS, NRP, CHSE  
George Wang, MD, FAAP, FAACT  
Allan R. de Caen, MD  
Jonathan Duff, MD, MEd, FRCPC  
Helio Penna Guimarães, MD, PhD, FAHA  
Hector Aranibar, MD, FCCP  
Fabián Gelpi, MD  
Grace Bravo, MD  
Brian Jackson, MD  
Candace Mannarino, MD, MS  
Amanda O'Halloran, MD  
Georg M. Schmölzer, MD, PhD  
Melissa Mahgoub, PhD  
Jeremy Dymond, RN  
Kerrie Zakaras, RN, MSN  
Julie Mallory, MBA  
Amy Thomas  
Comilla Sasson, MD, PhD, FAHA, FACEP

This list represents the relationships that may be perceived as actual or reasonable conflicts of interest as reported on the Disclosure Questionnaire, which all AHA volunteers are required to complete and submit. The focus is on relevant financial relationships with commercial interests in the 24-month period preceding the time that the individual is being asked to assume a role controlling content:

Jennifer Hayes, RN – ZOLL Medical, RQI (Speaker)  
Brian Walsh, PhD, RRT, RRT-NPS, RRT-ACCS, RPFT, FAARC – Sentec (Researcher), Medtronic (Consultant/Speaker), fluidIQ (Ownership interest)

## Target Audiences

1. Physicians
2. Physician Associates
3. Nurse Practitioners

4. Nurses
5. Pharmacists
6. EMS
